Andrew Moyst
Athlete/Builder 2012

Andrew Moyst's career exceeds over 30 years of experience as an outstanding player, coach, and official within the soccer community in Mount Pearl. One of Moyst's colleagues stated that "when you speak of Andrew and soccer you have to use superlatives" and this is clearly demonstrated through his accomplishments. As a player, Andrew has always played at the highest level, whether it was at the Youth, University, Challenge Cup or Master's level. He has won several awards with the multitude of goals he has scored throughout his career. In addition to his excellence on the field, Andrew has been a quiet leader who demonstrates what it takes to win, and what it takes to be a true team player. In 2009, through to 2012, Andrew was an active member of the Mount Pearl Master's Team, which represented the Province at the Eastern Canada Tournament three years in a row. In 2011, he was named MVP of that season's playoffs and proudly stood with his team at the Mount Pearl City Awards where they were named 2011 Team of the Year. From 1991-1995, Andrew played with the Mount Allison University Team receiving numerous honours; "Team Rookie of the Year," "Top Scorer," and "Team MVP."

In addition to being a top level player, and while still participating in the Challenge Cup with the Mount Pearl team, Andrew undertook a coaching position. His coaching career allowed for Andrew to enjoy a significant level of success as a coach of several Mount Pearl youth teams, Provincial youth teams, and the 2005 NL Canada Summer Games Team. After having a widely successful career as a soccer player and as a

soccer coach, Andrew is now devoting his time to officiating at the regional level in the various St. John's and Provincial Leagues. Andrew "exemplifies all that is good about the game of soccer and the Mount Pearl Soccer Association...As an official he continues to lead by example ensuring fair play and equity on the field."

The Mount Pearl Sport Alliance recognizes Andrew Moyst's outstanding athleticism and contributions with his induction to the Mount Pearl Sports Hall of Fame.
